## **Daniels Family Ownership of Queen Cutlery Company Knife Model Numbers in, 2013-2017.**

This partial list is composed of a post by Queen Cutlery in 2013 on Iknife Collector and 2015, 2016 catalogs, and knives for sale on the Internet. This is a beginning, but it would not be surprising if there are omissions.

This listing does NOT include special series knives, such as "Queen City" or "Queen Blue Bone," etc. – check for them under SERIES- link below.
